

Kawana Waters State College Dress Code

Our College community recognises that the image of our College is important in the Kawana Waters community, therefore they have endorsed Kawana Waters State College as being a uniform school. The Kawana Waters State College uniform is compulsory for all students when traveling to and from school, during school hours, and at school functions. Pride in personal presentation and pride in being a part of a team are important qualities that our uniform approach aims to develop. A College uniform will help students identify with the College and develop a sense of belonging. Therefore, our students are expected to wear the full uniform without any alterations or ‘fashionable’ additions.
