Changes to some Sunshine Coast school bus services will be introduced from the start of Term 1 on Tuesday 28 January 2025.

Network changes including new and/or altered routes incorporating timing changes have been implemented to service new areas based on customer feedback received, in addition to improving on-time running and overcrowding of selected Sunshine Coast school bus services.

Summarised changes will be published on our website by 31 December 2024.

Timetables will be updated and available on the Translink Journey Planner ahead of the start of term.
