This Week's Highlights

Year 10 Work Experience

All Year 10 students will undertake work experience during the final week of this term. This is a fantastic opportunity for our students to enhance their classroom learning, assist their career choices and build their industry skills. Work placement is considered a compulsory part of the senior schooling curriculum. Students will be visited during the week by a member of staff. Students who have not arranged a placement are expected to arrange work experience before the end of this year. If your child does not have Work Experience planned, they are not expected to attend school. Thank you to those parents for assisting students to arrange and undertake these placements.

IMPORTANT - Year 7 Sports Gala Day

Please note: this event has previously been incorrectly communicated as taking place on Tuesday 24 June. The correct date for the second Year 7 Sports Gala Day is Wednesday 25 June.

Year 6 High School Experience Day

Our JSEC team will proudly host nearly 200 Year 6 students from our partner primary schools. This is a key transition experience, and our Junior Secondary Leaders will play a valuable role in welcoming and supporting these future students throughout the day.

Year 7 - Romanopoly

All Year 7 students must bring a single bedsheet or sarong to be worn as a toga for Romanopoly on Tuesday. This is a life game and marks the end of our Ancient Rome unit. No toga = no play.

URGENT – Host Families Needed

Our college welcomes Karyo Senior High School on 23 July – 4 August. We are still in need of about 5 more host families to accommodate this group. We are seeking either double or single placements, with a reimbursement to families of \$540 per student to cover costs. If you can host a student or two, please contact Megan O'Reilly on morei25@eq.edu.au or by phone on 5436 9388. See flyer attached for further details.

Year 10 into 11 Information Evening – Wednesday 16 July

At Kawana Waters State College, we wish to provide our students and their families with the necessary information when transitioning from Year 10 into Year 11. The evening will provide an opportunity for families to gain further information about some key aspects of senior schooling such as the QCE System, Industry Pathways and subjects on offer in 2026. Please see the attached flyer for further details and RSVP to skenn310@eq.edu.au.

Cubby Houses (See attached images)

We are offering 2 x newly built cubby houses, each for a cash donation to deposit into our materials fund for 2026. Our students from Certificate II in Construction Pathways have created these magical spaces for children's imaginations to ignite. This year the cladding will be rainbow themed! If you are interested, please email asloa17@eq.edu.au with your phone number and the amount you'd be willing to donate. The highest donation wins! We are offering these separately, and they will be finished early during Term 3. Winner to be notified by email or phone. Please note, these are pick up only and require 2 people to lift onto a Ute or trailer (cubby's have been built as a flat pack for easy transportation) and assembly instructions are included. Upon pick up, you will also need to sign a liability waiver for any potential risk involved.

Elly Gerbo

Acting Executive Principal
