

Cambodia Volunteering

DONATION DAY

Making a positive contribution to a global society.

Kawana Waters State College students do voluntary work in Cambodia!

In June a group of 40 year 10, 11 & 12 students and staff are travelling to Cambodia to do voluntarily work in village communities and schools supported by the Australian based organisation 'Growing Cambodia'.

Did you know that in Cambodia:

- many children do not have basic school equipment such as pencils and paper.
- many children and adults have missing limbs as a result of stepping on landmines
- many children who do go to school, sit on bare dirt
- many people become ill because they do not have ready access to health facilities

Our college has a chance to making a positive contribution to a global society.

Donation Day is Friday 23 May.

We ask all students, families and staff from Prep to Year 12 donate items for children in Cambodia.

Our students and staff will take your donations and hand them directly to children in need.

This year we are requesting:

	A pencil case with pencils, pens, an eraser, coloured pencils and a sharpener or twistable crayons. Pop in a note or picture for the child who receives the pencil case.	Good quality second hand laptops. Do you know any business which replaces laptops periodically?
	Toothbrushes and toothpaste	
	Junior boys underwear.	Medical equipment such as crutches, bandages, dressings, Band-Aids, usable reading glasses etc
	Skipping ropes, long skipping ropes, handballs, soccer balls (deflated)	

Primary students:
bring your donations to parade on 23 May.

Secondary students: drop anytime to Student Services office.

We are also seeking:

- Donations from businesses who wish to support Growing Cambodia
