Primary Campus Update

A massive congratulations to Ms Murr and Mr Jacobson on a hugely successful P-2 and 3-6 cross country. We currently have 36 students representing the Primary school at the Sunshine Coast District carnival. Our Preps - Year 2s had a wonderful time on their cross-country course and enjoyed some games led by our Year 6 sporting leaders.

Tuesday is our PIP (Pizza, ice-cream and python) party, thank you to all those families for their order and we look forward to a special treat first day back.

A reminder that this Thursday and Friday is our Mother's Day stall. Students wishing to purchase something for their special person are asked to bring cash in an envelope or wallet. The stall will be open from 8am both mornings.

We are seeking families to host our upcoming study tour from Mingdao HS, Taiwan

This experience is not just about offering a place to stay but creating lifelong memories for your family and the students. Families who have participated in the past often describe it as rewarding and transformative where enduring friendships have been made. Mingdao has requested the students be accommodated in double placements. They range in age from 14 to 16 years.

What's Involved:

- Duration: 12 nights Tuesday 10 June to Sunday 22 June 2025.
- Responsibilities: Provide a welcoming home, meals, transport to and from school and support them as they explore local culture.
- Support: We'll provide guidance and be available to address any questions or concerns.
- Financial supplement*: You will be remunerated for your hospitality at around \$315 per student for the week.

If you're interested or would like more information about the Mingdao Study Tour, please let us know by replying to Megan O'Reilly at email: morei25@eq.edu.au. Thank you for considering this opportunity to make a difference in the life of a young person while enriching your own family's experience. These study tours and cultural exchanges would not be possible without our amazing school community and family's generosity and support.
