## This Week's Highlights

### Programs of Excellence Closing Soon!

Our Programs of Excellence (POEs) for 2026 will close on the dates outlined below:-

- Academic Curriculum Extension (ACE) – Friday 1 August
- Football Excellence – Friday 1 August
- Aquatics Excellence – Friday 22 August
- ARTs Excellence (Dance or Drama) – Friday 1 August

Application forms can be found on our college website or collected from the secondary campus office. [Programs of Excellence - Application Forms](#)

### Health Heroes Symposium – Thursday 7 August

#### (Year 10 2026 students and parents)

Are you interested in a career in the Health Industry? If you are, then this is an evening you shouldn't miss! On the evening of Thursday 7 August, we will showcase the amazing Health Education Unit. The Health Education Unit continues to strengthen and grow with over 380 students enrolled from the Sunshine Coast, Moreton Bay and Rockhampton Region. Prospective students and their parents are able to meet the team and be immersed in hands on health activities as well as meeting past students who will discuss their experiences completing the course along with what they are doing in their careers now. Please see attached for further information.

### Save the Date - Year 7 2026 Information Evening

Our Year 7 2026 Information Evening will be held on Tuesday 5 August at the Innovation Hall, Primary Campus. See attached flyer for further details.

### Kawana Community Festival - Sponsorship Opportunities

Preparations are well underway for the 4th Kawana Community Festival, to be held on Friday 14 November. The 2024 Festival was attended by approximately 2,500 people and this year we are offering local businesses the opportunity to sponsor key areas of the event. Please see attached information for further details or contact Sally Kennedy on [skenn310@eq.edu.au](mailto:skenn310@eq.edu.au).

### Crazy Colour Run Fundraiser

We hope students are enjoying their Crazy Colour run prizes. Thanks to the P&C we now have around \$17,000 to spend in our Primary school (after costs are paid to the fundraising company). I have been seeking feedback from students and staff and would value the feedback from our parent community on what we should spend this money on. It is important for you to know that we have plans and approval for a new playground based at the back of the school and are awaiting the permanent instalment of soccer/football goals for the 5/6 oval. Please see the link below to a quick survey for you to share your thoughts. [Crazy Colour Run Survey](#).

### Bully Zero Workshop

A valuable opportunity is being provided to parents/carers of our schools within the region, to participate in a free face-to-face 1.5-hour workshop facilitated by Bully Zero, a leading bully prevention organisation. The workshop Bully Zero, is designed to proactively support parents to understand what bullying is and what parents can do to support their children to be safe both online and when face to face with their peers. The attached flyer provides information regarding locations, inclusive of the online option and how to register for the workshops. Participants must register for the workshops.
