This Week's Highlights

Year 10 Exam Block

Year 10 students have Exam Block this week. This is a block schedule that only requires students to attend school for their scheduled exams. There are no timetabled classes this week. Please ensure that your student is aware of their exams and ask them to pay particular attention to when and where they have their exams. A reminder that during exam week, exams will take priority over school-based apprenticeships, Trade training days or any other commitments students may have during the week. If your student cannot make an exam due to illness, you will be required to contact the school with their absence and provide a medical certificate on their return to school. Please ensure they are in attendance for all exams. We recommend they arrive at least 15 minutes prior to their exam commencing so that they are ready to enter on time. We wish all our students the very best of luck.

Under 8's Day

On Thursday 18 June we will be celebrating Under 8's day on the primary campus. This annual event celebrates all things early childhood and this year's theme is 'Celebrating 70 years of Early Childhood'. Our Prep – Year 2 students will take part in multiple activities, including art and crafts, a visit from the emergency services and the Surf Lifesaving team, an obstacle course and lots more. Parents are welcome to attend, and we will be starting the day at 1pm with afternoon tea with our students, parents are welcome to bring a picnic blanket and their own afternoon tea to join in.

Parent Engagement Meeting – Rescheduled Tuesday 16 June

The Parent Engagement Meeting will take place on Tuesday 16 June, 6.30pm at the Innovation Hall on primary campus. The session will explore the importance of building resilience at home. The Resilience Project's Tom Ferguson will deliver this valuable workshop. Please see the attached flyer for further information and RSVP to Sally Kennedy on skenn310@eq.edu.au by Monday 15 June.
