This Week's Highlights

Japanese Festival Volunteers NEEDED!

The P&C is once again running the bar at the upcoming Japanese Festival, and we need your help. This is one of our fundraising opportunities for the year, with all proceeds going directly back into supporting our school and students. If you can spare just **2 hours**, we'd really appreciate your support. Please click the link below to choose a shift that suits you. Thank you for supporting our school community. We couldn't do it without our wonderful volunteers.

2 x Cubby Houses for Sale (See attached flyer)

We are offering 2 x newly built cubby houses for sale. Our students from Certificate II in Construction Pathways have created these magical spaces for children's imaginations to ignite. If you are interested, please email Mel Colquhoun on mcolq6@eq.edu.au with your contact details. Please note, these are pick up only and require 2 people to lift onto a Ute or trailer (cubby's have been built as a flat pack for easy transportation) and assembly instructions are included.

Year 9 Students 2026 – Are you interested in the KWSC Health Education Unit course for 2027/2028?

We are pleased to advise that the **KWSC Health Heroes Symposium is being held on Thursday 13 August at 5pm**. This is the Health Education Unit (HEU) annual showcase evening for 2027 prospective students and their parents/caregivers. For students interested in a career in Health (nursing, medicine, paramedicine, occupational therapy, sonography, physiotherapy, to name a few), this is an evening not to be missed! Please see attached flyer for registration details. Past HEU students, UniSC staff and paramedic students, College Executive and of course the amazing Health Education Unit staff members will be in attendance. This evening brings a huge amount of excitement and enthusiasm for what the HEU has to offer, with past symposiums having over 250 people in attendance!
