How to load the 2026 updated NAPLAN LDB (Locked Down Browser)   V100226

This is for Mac, Microsoft and Chrome book devices only...Android devices will not work from 2021 on....

Note : You may have to uninstall any previous versions of the LDB

(check your desktop for any previous versions now!...uninstall them before installing this current version)

To start installation:

Click on the link below or load the link into your browser

https://www.assessform.edu.au/naplan-online/locked-down-browser

You should come to the Assessment Platform Page:

Scroll down on the

assessment platform page...**Find your device type and click on the appropriate Microsoft or Apple down load link:**
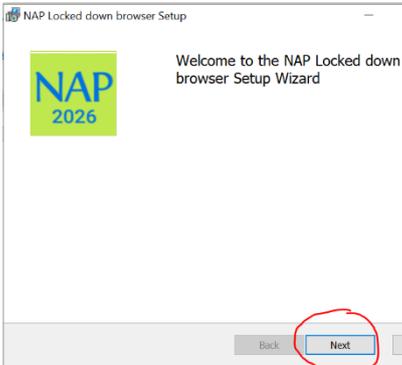

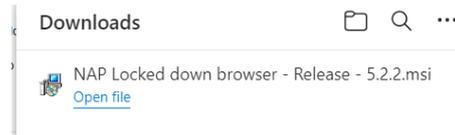

Run/Keep any pop ups related to downloading the LDB

Yes to install LDB app

Accept terms & conditions of LDB wizard by ticking box

Ensure you click finish to complete the install process...

https://www.assessform.edu.au/naplan-online/locked-down-browserMac users will have to save LDB in APPs folder

Downloads

NAP Locked down browser - Release - 5.2.2.msi
Open file

NAP Locked down browser Setup

Welcome to the NAP Locked down browser Setup Wizard

Back   Next

Back   Install   Can

Completed the NAP Locked down browser Setup Wizard

Click the Finish button to exit the Setup Wizard.

Back   Finish   Cancel
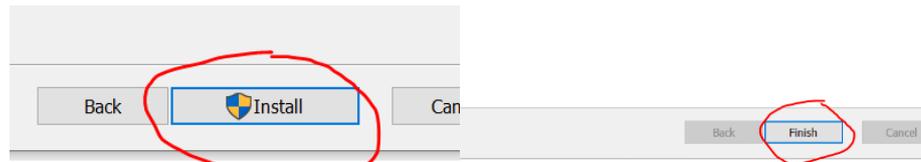

Check your file menu or desktop for an icon like the one below...**Please save any work you have open and close programs down before clicking on the NAP icon...the system will warn you to do this too!**

Click on the icon and the following page for 2026 should appear(similar to below):

Remember! Once you have entered the LDB (Locked Down Browser) other programs on your computer will not work until you exit the LDB

acara AUSTRALIAN CURRICULUM, ASSESSMENT AND REPORTING AUTHORITY   NAP NATIONAL ASSESSMENT PROGRAM

Welcome

NAPLAN 2024

Training

NAP Civics and Citizenship

ACARA Item Trial

Demonstration tests

Device check

Device check (without login)

App Version 5.6.15

To exit the LDB ...click on the X at the bottom right of the screen.... The LDB should still be on your desk top for use another time.

Do not enter the NAPLAN 2026 tab unless told to do so.

You can click on Demonstration Test tab to practice or explore at any time!
