State College

Football Program of Excellence

2024 Prospectus

RATIONALE

Kawana Waters State College prides itself on structures which allow students to pursue courses of study which support their vocational goals. Our commitment to this philosophy has seen the implementation of many vocational courses at the College, one of these courses is the Football Program of Excellence.

The Football Program of Excellence course has been designed to provide players with the opportunity to further develop their football and futsal skills whilst engaging in a course of study based on the Australian Curriculum. Students engage in sessions to improve their football and futsal abilities, working through elements of skill acquisition and game training.

The Football Program of Excellence is designed for athletes who aspire to be selected as part of a regional, state or national team. Students in the program study football as a subject for up to five hours each week, utilising College and outside College time. Sessions are primarily conducted at Kawana Waters State College.

Participation in the Football Program of Excellence offers opportunities in competitions throughout Australia and internationally. The program can also lead students to pursue tertiary studies in Leisure, Sport and Recreation, Human Movements and Physical Education. Pathways include coaching, managerial positions and officiating of games as a referee or tournament manager.

AIMS

The Program of Excellence in Football aims to:

- Provide students (with identified Football talent) with an opportunity to develop their football and futsal skills and across all facets of Football; as a player, referee, coach, trainer and administrator
- Provide a balance between the excellence program in Football and academic studies
- Immerse students in a Football culture that celebrates respect, excellence, diversity and enjoyment
- Ensure that course work and resultant accreditation will enable pathways to future endeavors
- Deliver a course of study that will not only achieve Football excellence, but will have endorsement, support and continued commitment from the Football Queensland and Sunshine Coast Football

APPLICATION PROCESS

Entry Requirements

Applicants must be of an acceptable standard across their academic, behaviour, effort and football achievement. Applicants will possess:

- Proven football skills and ability (demonstrated in a trial)
 - The ability to work with others in pursuit of Football excellence
 - The capacity to cover course costs
 - A proven exemplary record of attitude, industry and behaviour with in a school community
- Students will be required to compete in all available competitions during the year at the direction of the coordinator.
