

# Medical Immersion Program

Student Application  
2025

## Our vision

Kawana Waters State College is committed to the pursuit of excellence and the provision of high quality educational opportunities for each and every child.

Our moral imperative is to maximise learning, ensuring each student reaches their full potential.

'The opportunity for self-determination, to experience the fulfilment of work, and to follow a successful life pathway must be available to all,' (Everybody's Business, 2017).

In short every child deserves the chance to succeed.

## Cost

The fee for the Medical Immersion Program is \$395.00. This fee includes accommodation, 9 meals at Mercure Sunshine Coast Kawana Waters found on the lake at Birtinya. Additional expenses included in fee are transport costs, clinical activities and program delivery. ## Application Process

Outlined below is the process for identifying students who are eligible for the Medical Immersion Program. A range of evidence will be used to identify successful students.

### Step One – Identification

Application form is completed and submitted with supporting documentation eg. school reports, letters of endorsement. Students are expected to type a statement (no more than A4) addressing the following questions:

- Who am I? (Personal attributes, academic strengths, extra-curricular involvement)
- What are my aspirations for the future and how will this program support me with that?
- Why should I be considered?

### Step Two – Selection

A panel to determine student eligibility for the Medical Immersion Program will review applications. Announcements of successful applicants of the Medical Immersion Program will be at the end of Term 3. They (as well as unsuccessful applicants) will be notified through email.

### Step Three – Monitoring during program

Participants are expected to stay for the duration of the program.

Students are expected to attend all sessions.

A high level of behaviour and attitude is agreed to.
