Years 5 & 6 Students
2026

Our Vision

At Kawana Waters State College, we are dedicated to helping every child unlock their full potential. Recognising that each student is unique in their individuality and approach to learning, our vision is to cultivate an inspiring environment where like-minded students can thrive in the Performing Arts.

Through a dynamic and supportive atmosphere, students will have the opportunity to deepen their skills, refine their craft, and expand their understanding of the art form. Guided by expert teaching practices, we empower students to explore their creativity and achieve their highest potential.

What is the Kawana Waters Junior Drama Program?

This exciting 4-week program is designed to offer school-based drama development opportunities for talented, creative, and self-driven students. Successful applicants will engage in a variety of dynamic acting workshops, delving into vocal expression, creative movement, characterisation, confidence-building techniques, and ensemble play development.

The Junior Drama Program aims to empower young performers with focused training to build self-confidence, refine live theatre skills, and develop their performance abilities.

Applicants will participate in a drama lesson starting **Term 2 Week 3, May 6** and finishing **Week 6, May 27**. Lessons will be on **Wednesday afternoons from 4:00pm to 5:00pm**, on the secondary campus of Kawana Waters State College in the Drama room. These sessions are designed to complement students' current training and prepare them for entry into the Drama Excellence Program, in a safe and supportive secondary school setting.

** Drama students are to wear comfortable clothing, (long stretch pants and t-shirt), with hair tied back, that allows students to move about with ease.

Cost:

The program offers students the opportunity to learn from experienced, high quality teachers in an inspiring and enriching training environment.

The cost to participate in this program is **\$20 per student**, with payment required prior to commencement in the program.
