Queensland Department of Education
trading as Education Queensland International
CRICOS Provider Code: 00608A

Thank you for your interest in becoming a homestay provider for a Queensland state school through Education Queensland International (EQI). Homestay providers provide a safe, caring and supportive home environment for students enrolled in International Student Programs (ISP), so they can experience life in an Australian home and become ‘one of the family’.

Your personal information is collected on this form for the purposes of assessing your application to become an approved homestay provider. EQI, through state schools, carefully assess each application to ensure our students are placed into safe and caring home environments. We may use the information you provide to verify the information with other parties. If any of the information you provide on this form changes, please inform the school as soon as possible.

If your application is approved:

- the information you provide will be recorded and stored at the school;
- may be stored and accessed by EQI;
- some of this information will be provided to international students we intend to place with you, their parents (and their agent, if they have one), so that they can learn about you and your home before the student arrives;
- where a student is placed with you:
 - relevant information collected on this form (and as updated), will be provided to the student (e.g. your House Rules – Attachment 1), the student’s agent (if they have one) and the student’s parents;
 - there will be ongoing communication and an exchange of information, including your personal information, between the school, EQI, you, the student, the student’s parents and the student’s agent (if they have one);
- the information collected on this form (and as updated) will be used for the purposes of ongoing monitoring of homestay arrangements; and
- we will use the email addresses you supply to send all correspondence to you.

Details of non-approvals and any cancellation or suspension of a person’s registration as an approved EQI homestay provider will be recorded and may be accessed by EQI and other state schools.

Please be aware: approved homestay providers and all adult residents of a homestay home must hold a current [Blue Card](#) or [Exemption Card](#) (limited exceptions apply, contact [Blue Card Services](#) for further information). You do not need to hold a current blue card or Exemption Card to apply.

As part of the application assessment process, school staff will verify the identity of all adults who reside in your home and either:

- make the necessary applications for Blue Cards/Exemption Cards; or
- notify Blue Card Services that you/adult residents of your home may be providing homestay for the school (if you or any adult residents of your home have already applied for or hold a current Blue Card or Exemption Card).

Conduct by you, your residents and your visitors

You must ensure you and everyone in your home complies with the Strategy and the legislation governing Blue Cards in Queensland.

If the Overseas student chooses not to stay with you during the agreed homestay period, then you are entitled to full payment (except during the December-January school holiday period when a holding fee applies). If you are unavailable to host the Student for a period of time, we may reduce the homestay fee payable to you for that period or reallocate the homestay fee payable to an alternative homestay provider for that period.

If the Student's course includes the December-January school holiday period, the Student must pay either homestay fees for that period they remain in the residence or the homestay holding fee for periods of absence.

We may vary the Payment Schedule by giving you a new Payment Schedule. The new Payment Schedule will replace the previous Payment Schedule from the effective date specified in the new Payment Schedule. We will use our best endeavours to give you at least four weeks' written notice before a new Payment Schedule becomes effective.

If we overpay you, we may reduce your future homestay fees by the amount of the overpayment or require you to repay the overpayment to us within 14 days. The overpayment will be a debt due and owing to us by you.

You must never request homestay fees directly from your Overseas student.

If you have a question or concern about the payment of homestay fees, you must contact us.
