Introduction
Welcome to students undertaking a vocational education and training (VET) course this year. The purpose of this handbook is to provide all VET students with information about the VET programs offered. It also outlines your rights and responsibilities as a VET student studying at Kawana Waters State College. Take the time to read everything in this handbook as you will be required to sign that you understand its contents. If there is anything that you do not understand, please ask your teacher about it. You may need to refer to this handbook throughout your period of enrolment in your VET course/s. Please note that the Policies and Procedures covered in this handbook are edited to provide you with the key concepts. You can access the full copies of all the policies and procedures at any time by making a request to your RTO Manager.

Kawana Waters State College (RTO 30070) is a Registered Training Organisation (RTO) and as such, is able to deliver and assess Nationally Recognised Qualifications under the Australian Qualification Framework (AQF). Information about Kawana Waters State College as an RTO can be accessed at:

Certification and Credit Transfer
Students are reminded that they must inform the RTO Manager if they have completed a previous qualification or unit of competency prior to delivery. If a student has completed a unit of competency previously and retains a Statement of Attainment from the Registered Training Organisation (RTO), they can apply for credit transfer of that unit. Students must contact the RTO Manager if this is the case.

Students who meet the training and assessment requirements of the training package or VET accredited course, will be awarded a Nationally Recognised Qualification under the Australian Qualification Framework. The RTO Manager will ensure that the student retains a verified USI prior to awarding of the certificate or statement of attainment. All certificates or statements of attainment will be awarded within 30 calendar days of course completion, providing all fees have been paid.

A replacement qualification can be requested through the RTO Manager at any time but may incur a fee.
Unique Student Identifier (USI)

Student Identifiers Act 2014

The new initiative, was implemented on the 1st January 2015.

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that gives students access to their USI account. A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications.

The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost.

The USI is available online and at no cost to the student. This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from 1st January 2015.

Further information on the USI can be viewed on Kawana Waters State College website

www.kawanawaterssc.eq.edu.au

Process

Enrolment and Induction Procedures
1. All students will receive information about VET courses available at Kawana Waters State College in Year 10.
2. Should any VET Course be over-subscribed, interviews according to set criteria, where applicable, will be used to make selections. When interviews are not possible, students will be selected, in consultation with staff members, based on the students’ demonstrated interests and aptitudes.
3. At the beginning of the year, all VET students will receive an induction in the form of direct instruction and a copy of this handbook. VET teachers will also ensure that you are informed about assessment and the specific competencies covered in the first lesson. During this induction, you will be reminded about School Work Health and Safety procedures.

Fees and Refund Policy
Kawana Waters State College Fees policy is available on request.

Kawana Waters State College’s policy on refunds can be viewed on Kawana Waters State College’s website.

Every family in Kawana Waters State College has access to the Behaviour Management Policy. Please make sure that you read it as its application is also relevant to all School VET programmes. Attendance in VET classes complies with Kawana Waters State College’s Attendance policy.
Flexible Learning and Assessment Procedures

At Kawana Waters State College, all VET students will be fully informed of the VET assessment process and requirements and will have the right to appeal.

The mode of delivery will be specific to each subject area. A combination of the following will occur:

- Face-to-face
- Online delivery and assessment
- Blended delivery
- Private study
- Tutorials, if required

The following information represents some general information about the VET assessment process adopted at Kawana Waters State College.

Competency-based Assessment

Kawana Waters State College will comply with the assessment guidelines from the relevant Training Package or accredited course. Assessment will be competency-based (See Appendix 1: Definitions)

Essentially, students are considered to be competent when they are able to apply their knowledge and skills to successfully complete activities in a range of situations and environments, in accordance with the standard of performance expected in the workplace, as specified in the training package or VET accredited course.

Principles of Assessment

Kawana Waters State College’s delivery and assessment of VET courses are designed to promote valid, reliable, flexible and fair assessment that is also informative in its context and purpose. These principles comply with Kawana Waters State College’s Assessment Policy which is available on request.

This means that:

a) Students will be given clear and timely information on assessment, including:
   - advice about the assessment methods
   - assessment procedures
   - the performance criteria against which they will be assessed
   - when and how they will receive appropriate feedback
   - the mechanism for appeal.

b) Sufficient evidence will be gathered to enable a fair and accurate judgment of each Student’s competence.

c) The assessment approach chosen will cater for the language, literacy and numeracy needs of students.

d) Reasonable adjustments will be made to the assessment strategy to ensure equity for all students, while maintaining the integrity of the assessment outcomes as stated in the Training Package.

e) Opportunities for feedback and review via surveys of all aspects of assessment will be provided to students.

f) Clearly documented mechanisms for appeal against assessment processes and decisions will be available to students.

g) All students have access to reassessment on (informal) appeal.
Flexibility

All VET courses are flexible and they are designed to give every student an opportunity to demonstrate competence. This means that if you have an identified need, the conditions of the assessment task that you do may be changed. For example, a learning support aide may read the tasks to you or they may act as a scribe. These conditions for assessment must still comply with training package requirements. Your teacher, together with the Learning Support staff, will decide what adjustment needs to be made. In making an adjustment, the rigor or difficulty level of the task will not change as you will still need to be judged ‘competent’ in order to gain the qualification. The fact that the conditions under which the task was performed has changed will be noted on your assessment task sheet.

Recognition of Prior Learning (RPL)

When you commence a VET programme, you may think there are some units of competency you can already do which, therefore, make you competent. You can apply for ‘recognition’ for those specific units of competency. If you do, you will need to provide evidence that you can in fact already do these particular tasks. You may need to perform a 'skills test' to support your claim.

Process

If you believe that you have sound reasons to apply for recognition ask your teacher to guide you through the process listed below.

1. Discuss the recognition process with your teacher.
2. Retain a copy of the Recognition of Prior Learning Policy from the RTO Manager
3. Ensure that you understand the full recognition application process, including the Appeals process.
4. Collect evidence of your prior learning from a variety of sources. Evidence can take many forms, and will usually include such things as:
   a. letters or testimonials from employers
   b. photographs, videos, reports
   c. awards, certificates and qualifications
5. Discuss your self-assessment with your teacher. If there are full units of competency for which you and your teacher feel recognition may be given, you will be encouraged to complete a Recognition of Prior Learning Application Form which is available on request.
6. Complete and submit the Recognition of Prior Learning Application Form.
7. You will know the outcome of your application within 15 days of application.
8. Should you wish to appeal the decision, complete the Complaints and Appeals Form which you can get from the RTO Manager.

Note: If you have a Statement of Attainment from another Registered Training Organisation for any units of competency which are the same as those in any of the School’s VET programmes, you will be awarded automatic recognition and it will not be necessary for you to apply. You must make the VET teacher aware if this is the case.

You may approach Kawana Waters State College if you are dissatisfied with any aspect of your VET program. This includes:
