Principal's foreword

Kawana Waters State College is a co-educational Independent Public School that is an internationally focused Queensland Government State School. The college offers education from Prep to Year 12 on two adjacent campuses, separated by an environmental wetland area on the shores of Lake Kawana. The College is situated on the coastal strip between Mooloolaba and Caloundra on the picturesque Sunshine Coast, approximately 100km north of Brisbane. The College is set between the Pacific Ocean and the world class sports and rowing precincts of Sunshine Coast Stadium, Kawana Aquatics Centre and Lake Kawana. Directly across Lake Kawana, the College forms part of the vibrant and innovative health and business precinct including the Sunshine Coast University Hospitals. Close partners with this precinct, the University of the Sunshine Coast and the Department of Education International mean that academic pathways and international perspectives are abundant at Kawana Waters State College. The college strives to make this precinct the educational experience of choice for young people aged 5 to 18 globally. Kawana Waters State College is a Prep to Year 12 Independent Public School which means we have been granted a degree of autonomy to manage our own affairs subject to governance through a college council. Regular reviews and quality assurance processes against the National School Improvement Tool, Vocational education quality standards and International credentials occur. As a result, we enjoy a vibrant student program with opportunities for local students to travel and study overseas as well as welcoming international students to engage in a first class educational experience. Our curriculum embeds this international perspective. Local and international students also have the opportunity to apply for inclusion in our Programs of Excellence in Academic Curriculum Extension (ACE), Football, Aquatics and the Arts. Many students have gained State and National honours from these programs. Our College has a strong evidenced-based approach to Teaching and Learning, informed strongly by models of “High Reliability Schooling” and Marzano’s “New Art and Science of Teaching”. These approaches shape our students’ everyday learning experiences around worldwide research in education, that has been informed and supported by the Sunshine Coast lifestyle and future employment options. We are student-centred, highly supportive College that is proud to be known as “Kawana’s College”. The Kawana Waters State College 2020 School Annual Report is a reporting document developed by the College Principal with support from the Department of Education. This is a report on school performance over 2020 which was a most unusual year due to the impact of COVID-19. We are very proud of our college and submit this report to the scrutiny of the community with confidence and a commitment to excellence in education.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2018	2019	2020
Short Suspension	274	209	225
Long Suspension	5	7	7
Exclusion	5	3	7
Cancellation	2	1	1
Total	286	220	240

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to previous years.

Notes

1. The 2020 cohort was the first to complete Year 12 under the new senior assessment and tertiary entrance system. The new system has redeveloped senior syllabuses, strengthened school-based assessment, introduced a common external assessment in each senior General subject area and General (extension) and replaced the OP rank with the Australian Tertiary Admission Rank (ATAR). This represents a break in time-series for the Queensland Certificate of Education.
2. ATARs are calculated by Queensland Tertiary Admissions Centre (QTAC). ATAR data is not held by the department.
3. Prior to 2020, visa students (students who are not Australian citizens or permanent residents of Australia) were excluded. From 2020 visa students are included.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

Next Step – Post-school destinations

The results of the 2021 *Next Step* post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2020), will be uploaded to this school's website in September 2021.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://kawanawaterssc.eq.edu.au>.

Post-school destinations information is also available via the [My School](#) website.
