Run/Keep any pop ups related to downloading the LDB

Yes to install LDB app

Accept terms & conditions of LDB wizard by ticking box

Ensure you click finish to complete the install process...

Mac users will have to save LDB in APPs folder

Completed the NAP Locked down browser Setup Wizard

Click the Finish button to exit the Setup Wizard.

Check your file menu or desktop for an icon like the one below...**Please save any work you have open and close programs down before clicking on the NAP icon...the system will warn you to do this too!**

Click on the icon and the following page for 2024 should appear(similar to below):

Remember! Once you have entered the LDB (Locked Down Browser) other programs on your computer will not work until you exit the LDB

To exit the LDB ...click on the X at the bottom right of the screen....The LDB should still be on your desk top for use another time.

Do not enter the NAPLAN 2024 tab unless told to do so.

You can click on Demonstration Test tab to practice or explore at any time!
